Railfan Photo Sessions 2010

NIGHT **Fri October 1** 8 PM
DAY **Sat October 2** 9 AM - 2PM
FRI NIGHT **\$10** TWO DAY PASS **\$25**

The **West Chester Railroad** will be hosting its first railfan weekend in over 10 years! Featured equipment will be our MLW C-424 & DRS-18, EMD GP-9, ex-Reading MU coaches, and various freight equipment.

FRIDAY NIGHT - Oct 1

There will be a guided photo session with famed railroad photographer and managing editor of *Railfan & Railroad* magazine, **Steve Barry**. This photo session will feature our two newly painted ALCO locomotives. You will have ample time to take photographs of yard movements, chat with operating crews, and take unlimited photos using special lighting.

SATURDAY - Oct 2

There will be many opportunities to photograph the movements in West Chester yard from a safe and legal area as we build freight consists and passenger consists. The freight train will depart Market Street station at 9:00 AM with several photo run by at stops along the way. The photo freight will be a mixed consist until we drop the passenger cars off for the photo run bys. Passengers are encouraged to board the train and ride to the photo areas.
